Stackable

Shown with Optional Tilt Bail Stand

TRC-2 Carrier with ICOM IC-7300

- Protect your radio in the shack or out in the field
- Accepts most mid-size desk and large mobile radios
- Optional tilt-bail stand provides better viewing angle
- Can be stacked with other TRC-2s and TRC-1s (TRC-1 is for smaller mobile radios)
- Stack vertical for efficient use of desk top space
- Carrier can be expanded vertically to accept modems, tuners, power supplies....
- Optional combination front cover HT holder provides protection during transport and a convenient place to hold your HTs and scanners.
- Internal Dimensions: Height - adjustable from 4 to 7 inches, Width - 11.2 inches, Depth - 12.5 inches. Compatible with the radios shown in the right column
